This zine has been created by Studio Camo as an example to inspire your own interpretation.

Use the support sheet to inspire the content for each page, and follow the instructions on how to create your zine using the supplied template.

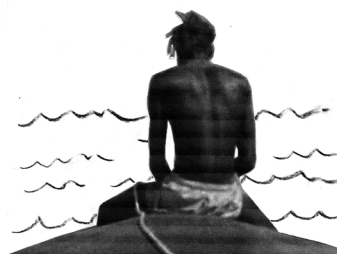

We've also supplied a sheet of graphic elements to get you started, if want to use them.

Once you've created your zine, consider making copies to give to your friends and/or family to start a conversation about the topics you've touched on.

### What's Your Zine About?

Page

#### 1 What makes a Black British Icon?

Steve McQueen, straight out of West London Via Grenada & Trinidad. The seriously dope and formidable artist, filmmaker and director has won many awards for his work.

In school he was kicked to the side, as you were then & still are now, for having dyslexia and being a young black man.

##### Places To Look

Steve McQueen's series 'Small Axe'

#### 2 Who Is Ashes?

What do you know about Ashes from the film?

Page

#### 3 Grenada?

Grenada is a 'small island' as Jamaicans would say. Grenada was originally inhabited by Arawak & Caribs, long before colonists started writing the false history books we learn from today.

Write six questions for somebody living in Grenada.

##### Places To Look

Grenada - Wikipedia  
Grenada National Archives (wordpress.com)

#### 4 Life/Death

How do you want people to remember you when you die?

Choose words or images you would like people to remember you by and create a motif within this section.

**\*Motif – Noun. Something that stands out in artwork that makes it unique**

Page

#### 5 Colonialism

Colonialism began 519 years ago, in 1502.

The British Empire captured and enslaved the indigenous people of those lands.

What is one word you would use to describe colonialism?
